

Amaretto Sour

This is Jeffery Morgenthaler's version. He's right: It's awesome.

- 1 $\frac{1}{2}$ oz. amaretto
- $\frac{3}{4}$ oz. good bourbon
- 1 oz. lemon juice
- 1 tsp. 2:1 simple syrup
- $\frac{1}{2}$ oz. or 1 Tbl egg white

1. Chill old fashioned glass
2. Add all ingredients to a shaker and dry shake to break down egg whites
3. Add ice and shake well 10 – 15 sec.
4. Strain into chilled glass with fresh ice
