The Aviation Cocktail

A classic, pre-prohibition cocktail, created to honor the brand new heroes of aviation. It was invented by Hugo Ensslin, head bartender at the Hotel Wallick in New York sometime in the early 1900's. He included it in his 1916 book Recipes for Mixed Drinks. I have changed this recipe to conform to his original. I also found that, depending on the sweetness of the lemon juice, 2 – 3 drops of lemon bitters

works well.

- 2 oz. Plymouth Gin
- 1 oz. lemon juice
- ullet oz. Luxardo Maraschino Liqueur
- •½ oz. Crème de Violette**
- 2-3 drops of lemon bitters optional
- 1. Chill cocktail glass with ice and water
- 2. Add all ingredients to shaker
- 3. Shake well with ice 10 15 sec.
- 4. Strain into chilled glass
- ** Not Creme Yvette, which is purple but tastes different
