Tuna Wontons

These look and taste great. The tuna will slice more easily if it is partially frozen. If you cannot find the Ginger Teriyaki Marinade, a quick recipe follows.

- 1/4 lb. Sashimi grade Tuna sliced into 2- 3/4X3/4 in. rectangles
- •½ cup Ginger Teriyaki Marinade
- 2 egg roll wrappers
- Wasabi paste and pickled ginger for garnish
- 1. Marinade tuna in ginger teriyaki marinade for 1 hr.
- 2. Lay egg roll wrappers on a clean cutting board.
- 3. Pat the tuna pieces dry with a paper towel and place each tuna piece at the top left hand corner of a wrapper.
- 4. With a sharp knife, cut the wrapper even with the right end of the tuna. The wrapper will now be the same width as the tuna.
- 5. Carefully roll the tuna in the wrapper for one complete turn. Cut the extra wrapper off so that there is a $\frac{1}{4}$ in. overlap. Wet the edge of the wrapper so that it will stick.
- 6. Heat a nonstick skillet over med high heat.
- 7. Cook tuna briefly on each side to just cook the wrapper.
- 8. Slice wontons $\frac{1}{4}$ in thick and arrange on plate.
- 9. Garnish with wasabi paste and pickled ginger.

Ginger Teriyaki Marinade

- •8 oz. Teriyaki
- 1/3 cup chopped fresh ginger
- Add all ingredients to whipper and follow instructions for nitrogen cavitation or let the teriyaki and ginger sit overnight
