## San Antonio Cloud

I found the recipe on a scrap of paper along with a bunch of other little "notes to self" hiding in my desk a few years ago. There was no reference on it, so I have no idea where it came from. Anyway, it's a tequila based cocktail with the tartness and color of pomegranate. The elderflower foam floating on top makes for a pretty as well as delicious drink. (A valentine favorite!)

- •1  $\frac{1}{2}$  oz. Milagro Plata Tequila
- 1 oz. pomegranate juice
- dash rhubarb bitters
- dash 2:1 simple syrup
- St. Germaine Elderflower Foam
- Misto of Chartreuse
- 1. Chill cocktail glass with ice and water
- 2. Stir all ingredients, except foam, with ice
- 3. Add St. Germaine Elderflower Foam to chilled glass
- 4. Strain drink through foam into glass
- 5. Flame drink with Misto of Chartreuse

Cheers!
