

G-n-Tini

I think that Fords Gin cries out for grapefruit. It so happens that grapefruit is one of the primary flavors in Jeffrey Morgenthaler's tonic recipe. His quinine syrup, that you can add to club soda to make tonic water, is simple and takes less than an hour to make. I thought that including the quinine syrup directly with the drink would make an interesting bitter sweet addition. I believe I was correct! Here's the recipe:

G-n-Tini

- 1 1/2 oz. Fords Gin
- 1/2 oz. Dolin Sweet Vermouth
- 1/2 oz. Quinine Syrup – see here
- Grapefruit peel for garnish

1. Stir the first three ingredients in a mixing glass with ice to chill
2. Strain into a chilled coup
3. Express the grapefruit peel over the drink and float the peel

Cheers!
